<p>Update 30/07/2010</p>	<p><u>New Tax Regulations In Ivory Coast</u></p> <p>Please note that a Tax Payer number must now be obtained for all shipments bound for Ivory Coast. This number is compulsory for the clearance of all inbound and outbound shipments. It takes approximately three (3) days to obtain the Tax Payer number from customs; the application must be made by the client or his/her employer only.</p> <p>Kindly make sure your clients are well aware of this as soon as possible. A breach of this rule will lead to delays in the customs clearance process, resulting in additional costs and demurrage charges.</p>

<p>General remarks</p>	<p>Customs clearances are complex and the following documents are imperative: Freight Invoice - customs declaration of exportation. With these documents, the BSC document ("Bordereau de suivi de cargaison") can be established. The BSC is imperative for the beginning of customs clearance.</p> <p>The delays of customs clearance are " minimum 3 weeks ". The client must be present at arrival of the shipment. The agency must received a complete file 8 days before arrival of the shipment. Note -the net weights of personal effects as well as the car must be inscribed on the bill of lading.</p> <p>Please note that for all personal effects and vehicle shipments bound for the Ivory Coast, it is necessary that the weight of the goods and the vehicles be clearly specified. A breach of this rule will lead to delays in the customs clearance process, resulting in additional costs and demurrage charges.</p> <p>Furthermore, regarding diplomatic airfreight shipments, please provide a copy of the airway bill in advance, so that the employer can provide the necessary diplomatic exemption document. This will help keep costs low.</p>
